A LIFE BEYOND
EXPECTATIONS,
AT THE HEART OF
HEBİL BAY...

THE MOST REFINED WAY OF LIVING...

Living in Bodrum...

Bodrum is not just a location; it is a privilege that redefines a way of life. Unhurried in the face of time, respectful in the presence of nature.

Mornings begin with the sound of the sea, and evenings blend into refined social settings. International standard marinas, gourmet cuisine, a daily life intertwined with art and culture...

Here, life is nourished by comfort, elegance, and simplicity.

To live in Bodrum is to be exactly where you belong.

HEBIL BAY

BODRUM'S HIDDEN PARADISE

In Bodrum's blue flag Hebil Bay, just steps from the sea, a new life-style experience embracing all the colors of nature awaits.

This exclusive project, consisting of 80 modern residences each with a private pool, offers a unique way of life with its commanding position over the Aegean blue, panoramic sea views, and private pier.

Surrounded by olive trees and pine forests, Hebil Bay neighbors the crystal-clear waters of Cennet Bay, offering a privileged living space close to Türkbükü's vibrant social life, yet far from the crowds.

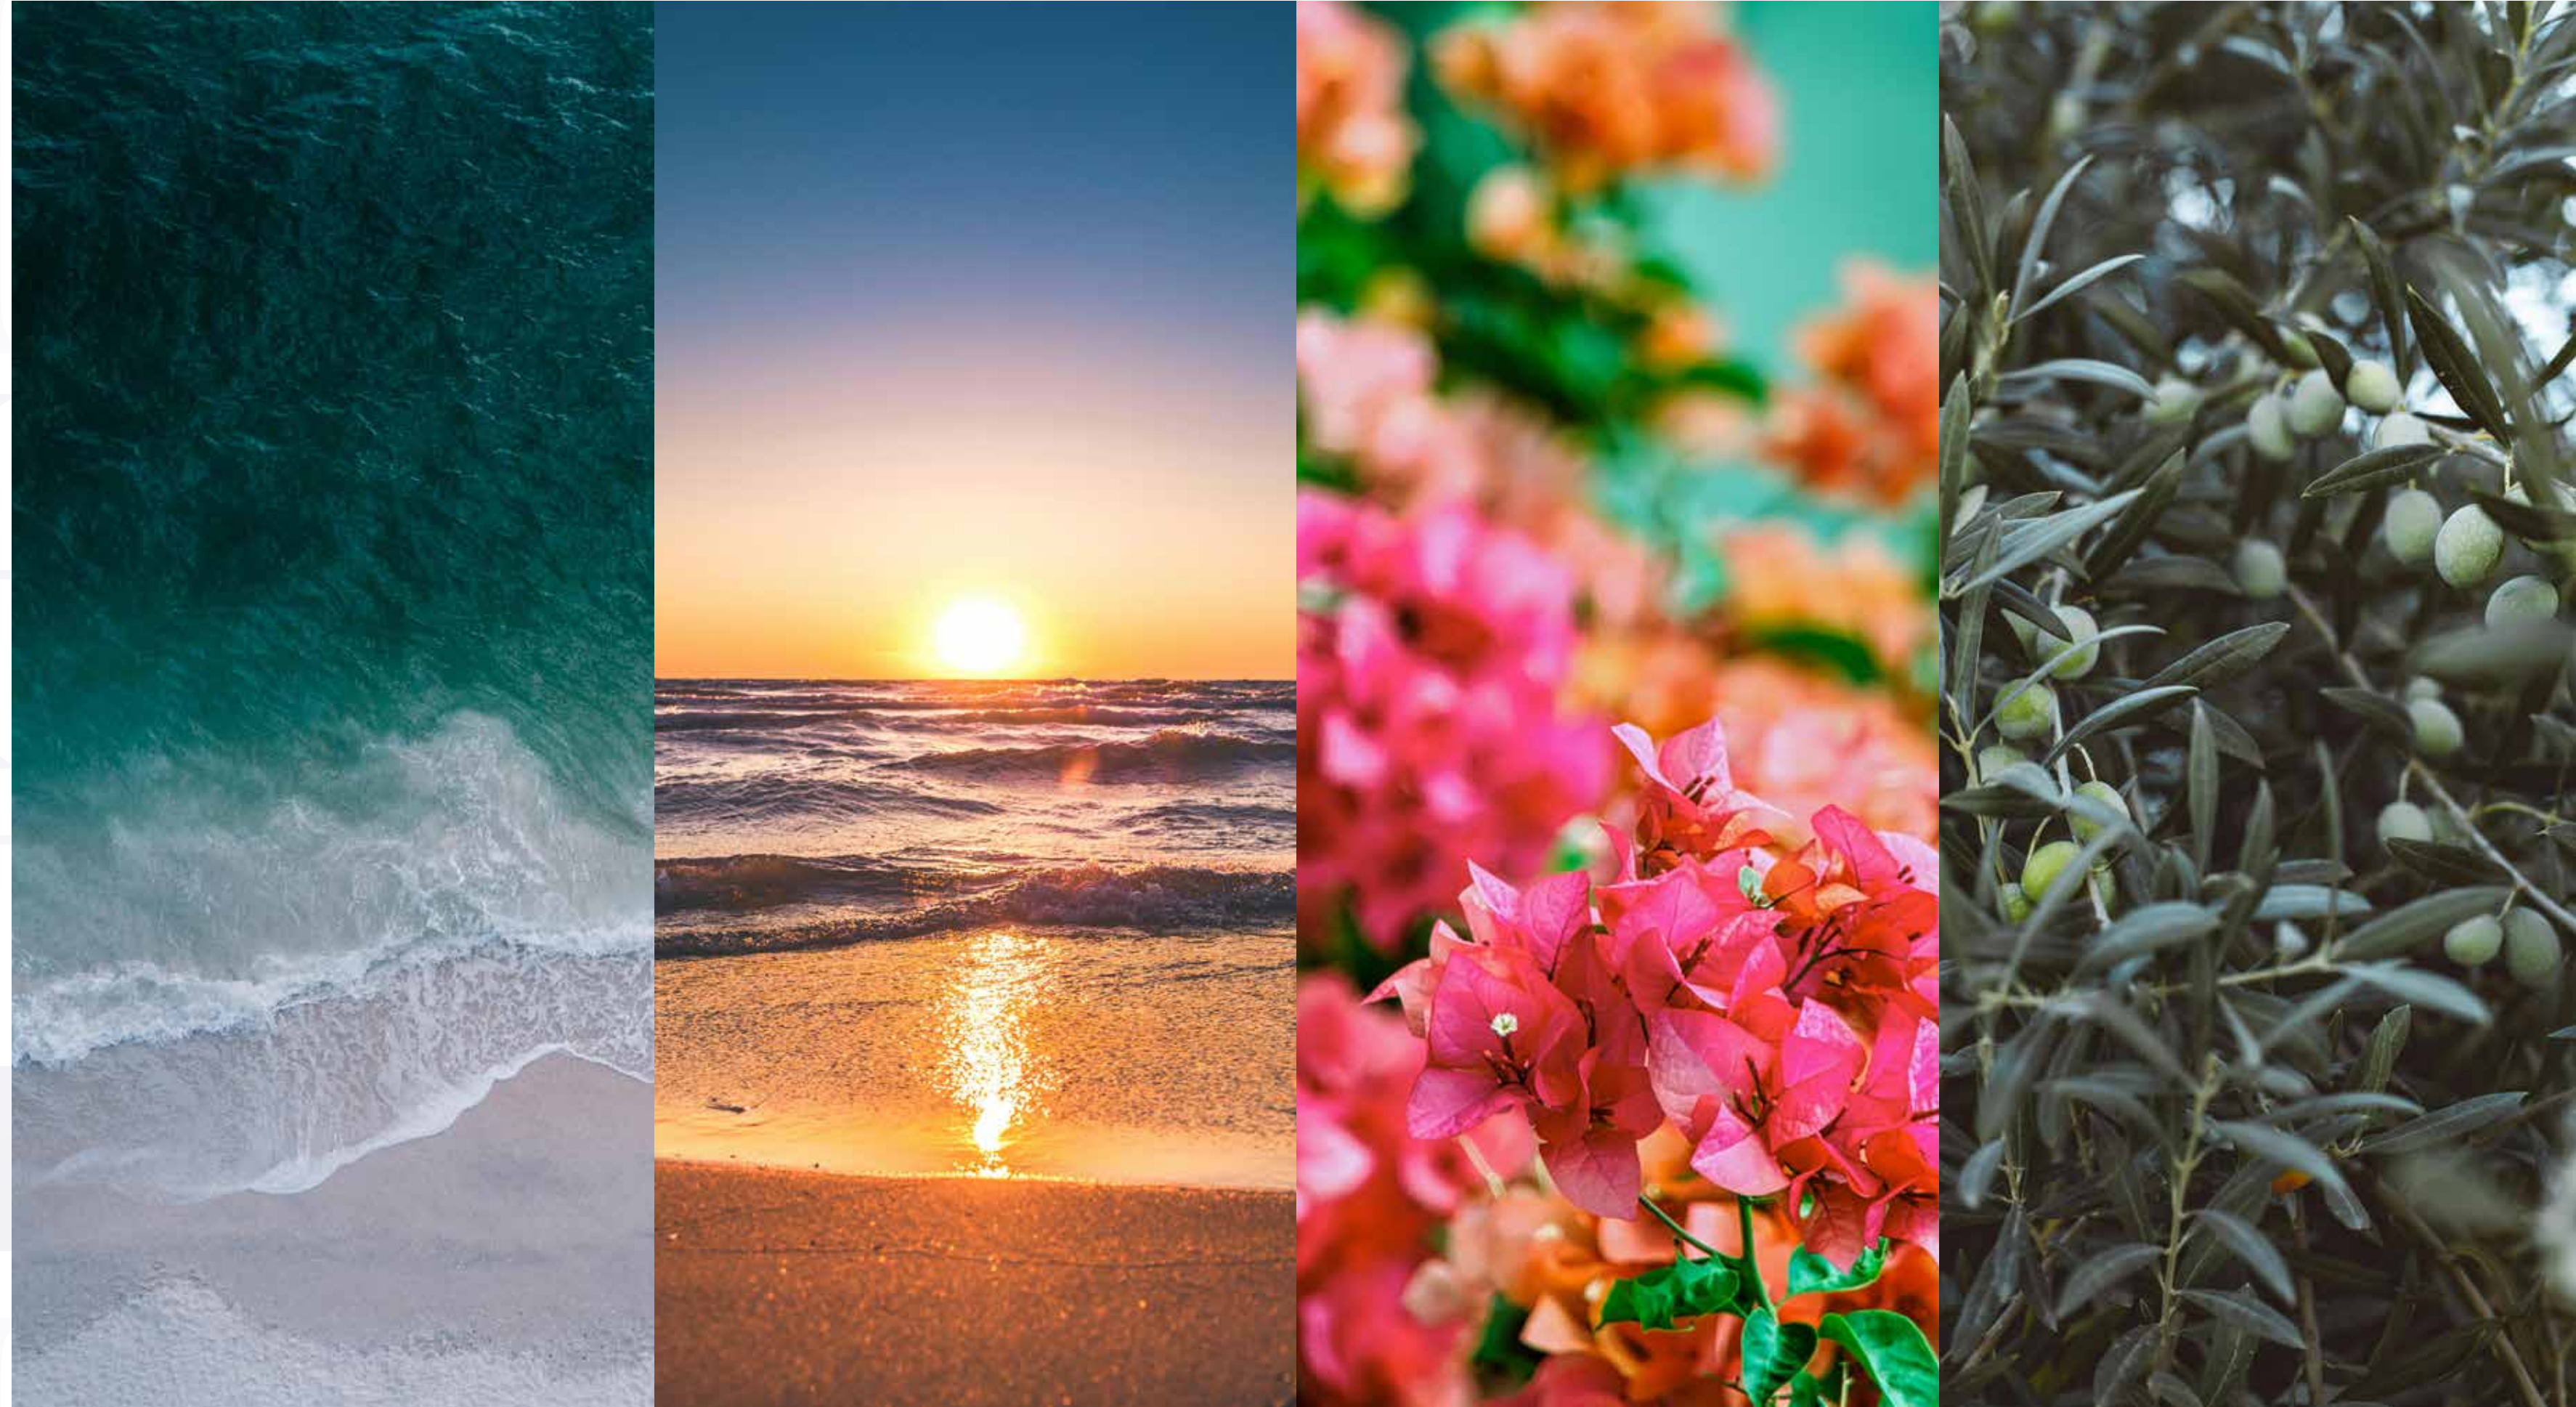

Hebil Blue is designed for those who wish to experience Bodrum year-round and redefine the way they live.

CLOSE TO THE **VIBRANCY OF THE CITY,** IN THE HEART OF NATURE.

Close to tranquility, yet within easy reach of everywhere.

AND CAREFULLY SELECTED **MATERIALS**

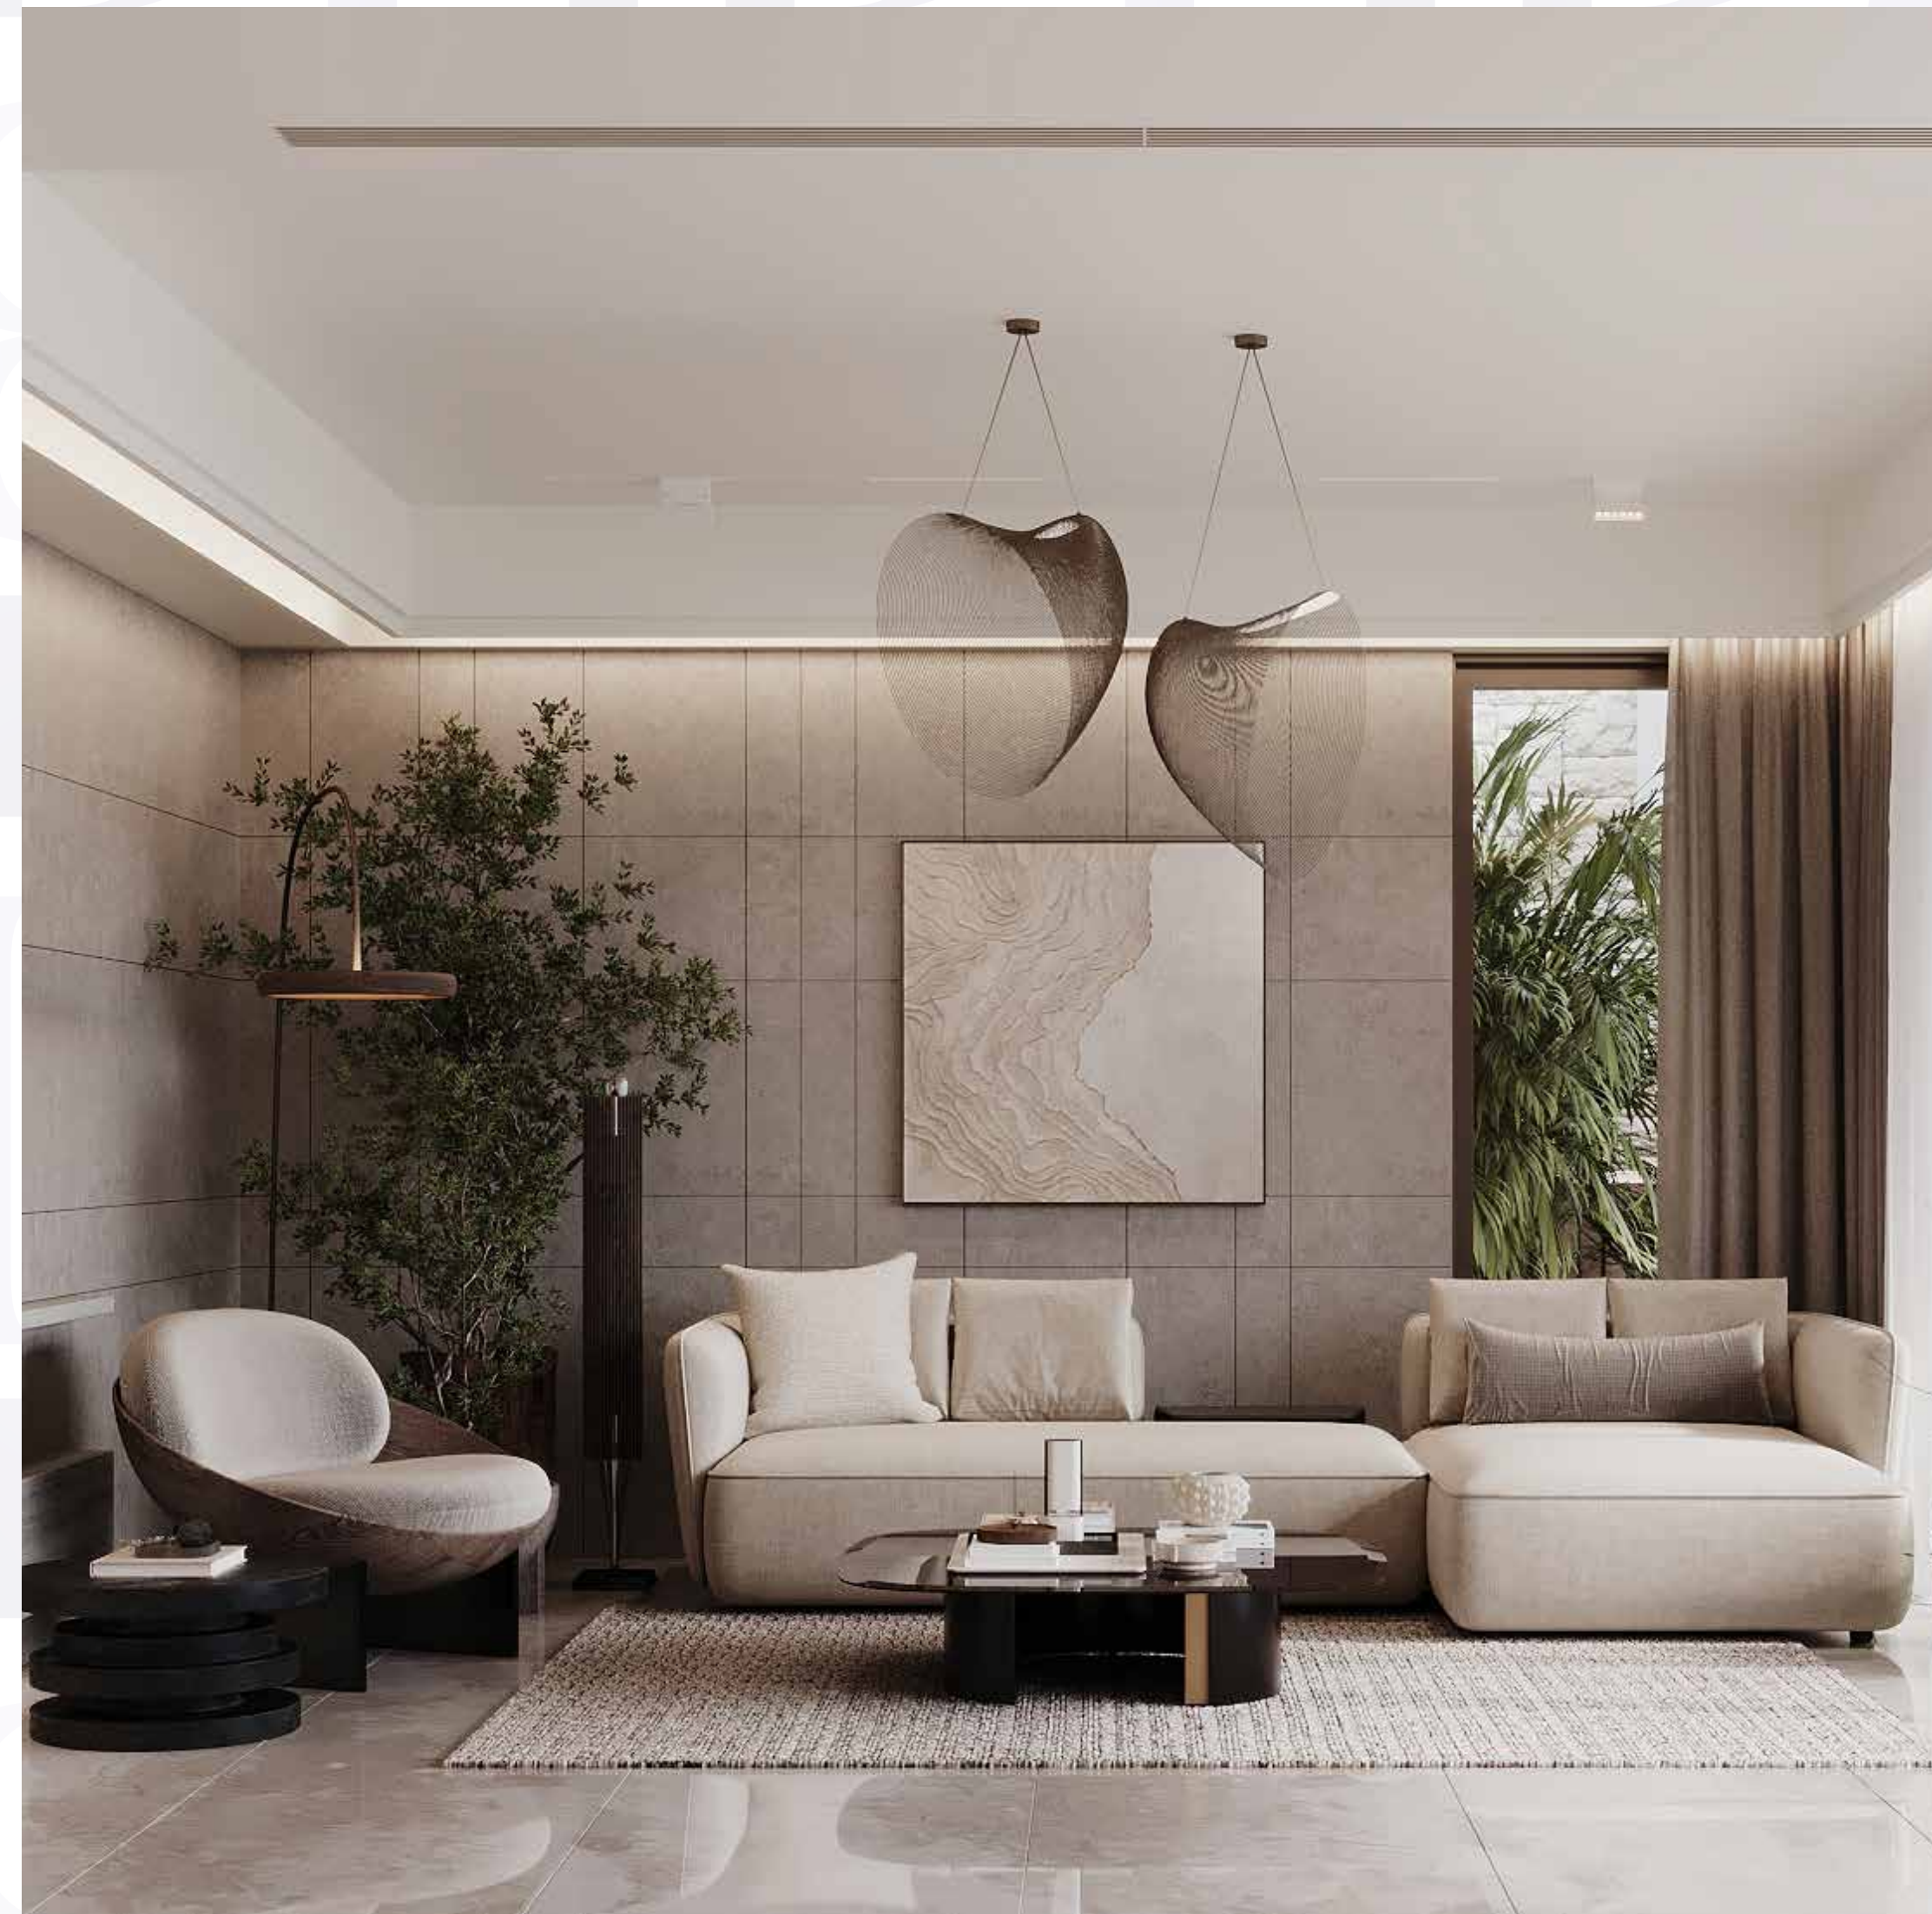

TIMELESS AESTHETICS REFINED DETAILS THAT **REFLECT** YOUR LIFESTYLE...

Modern Architecture and Natural Materials

The elegant lines of contemporary architecture come together with materials sourced from nature. This design allows you to experience both sophistication and natural harmony at once.

Elegant Design in Harmony with Nature

Dominated by light tones, the design creates bright and comfortable living spaces that blend seamlessly with the natural surroundings. Every detail is thoughtfully crafted to bring the tranquility of nature into the interior spaces.

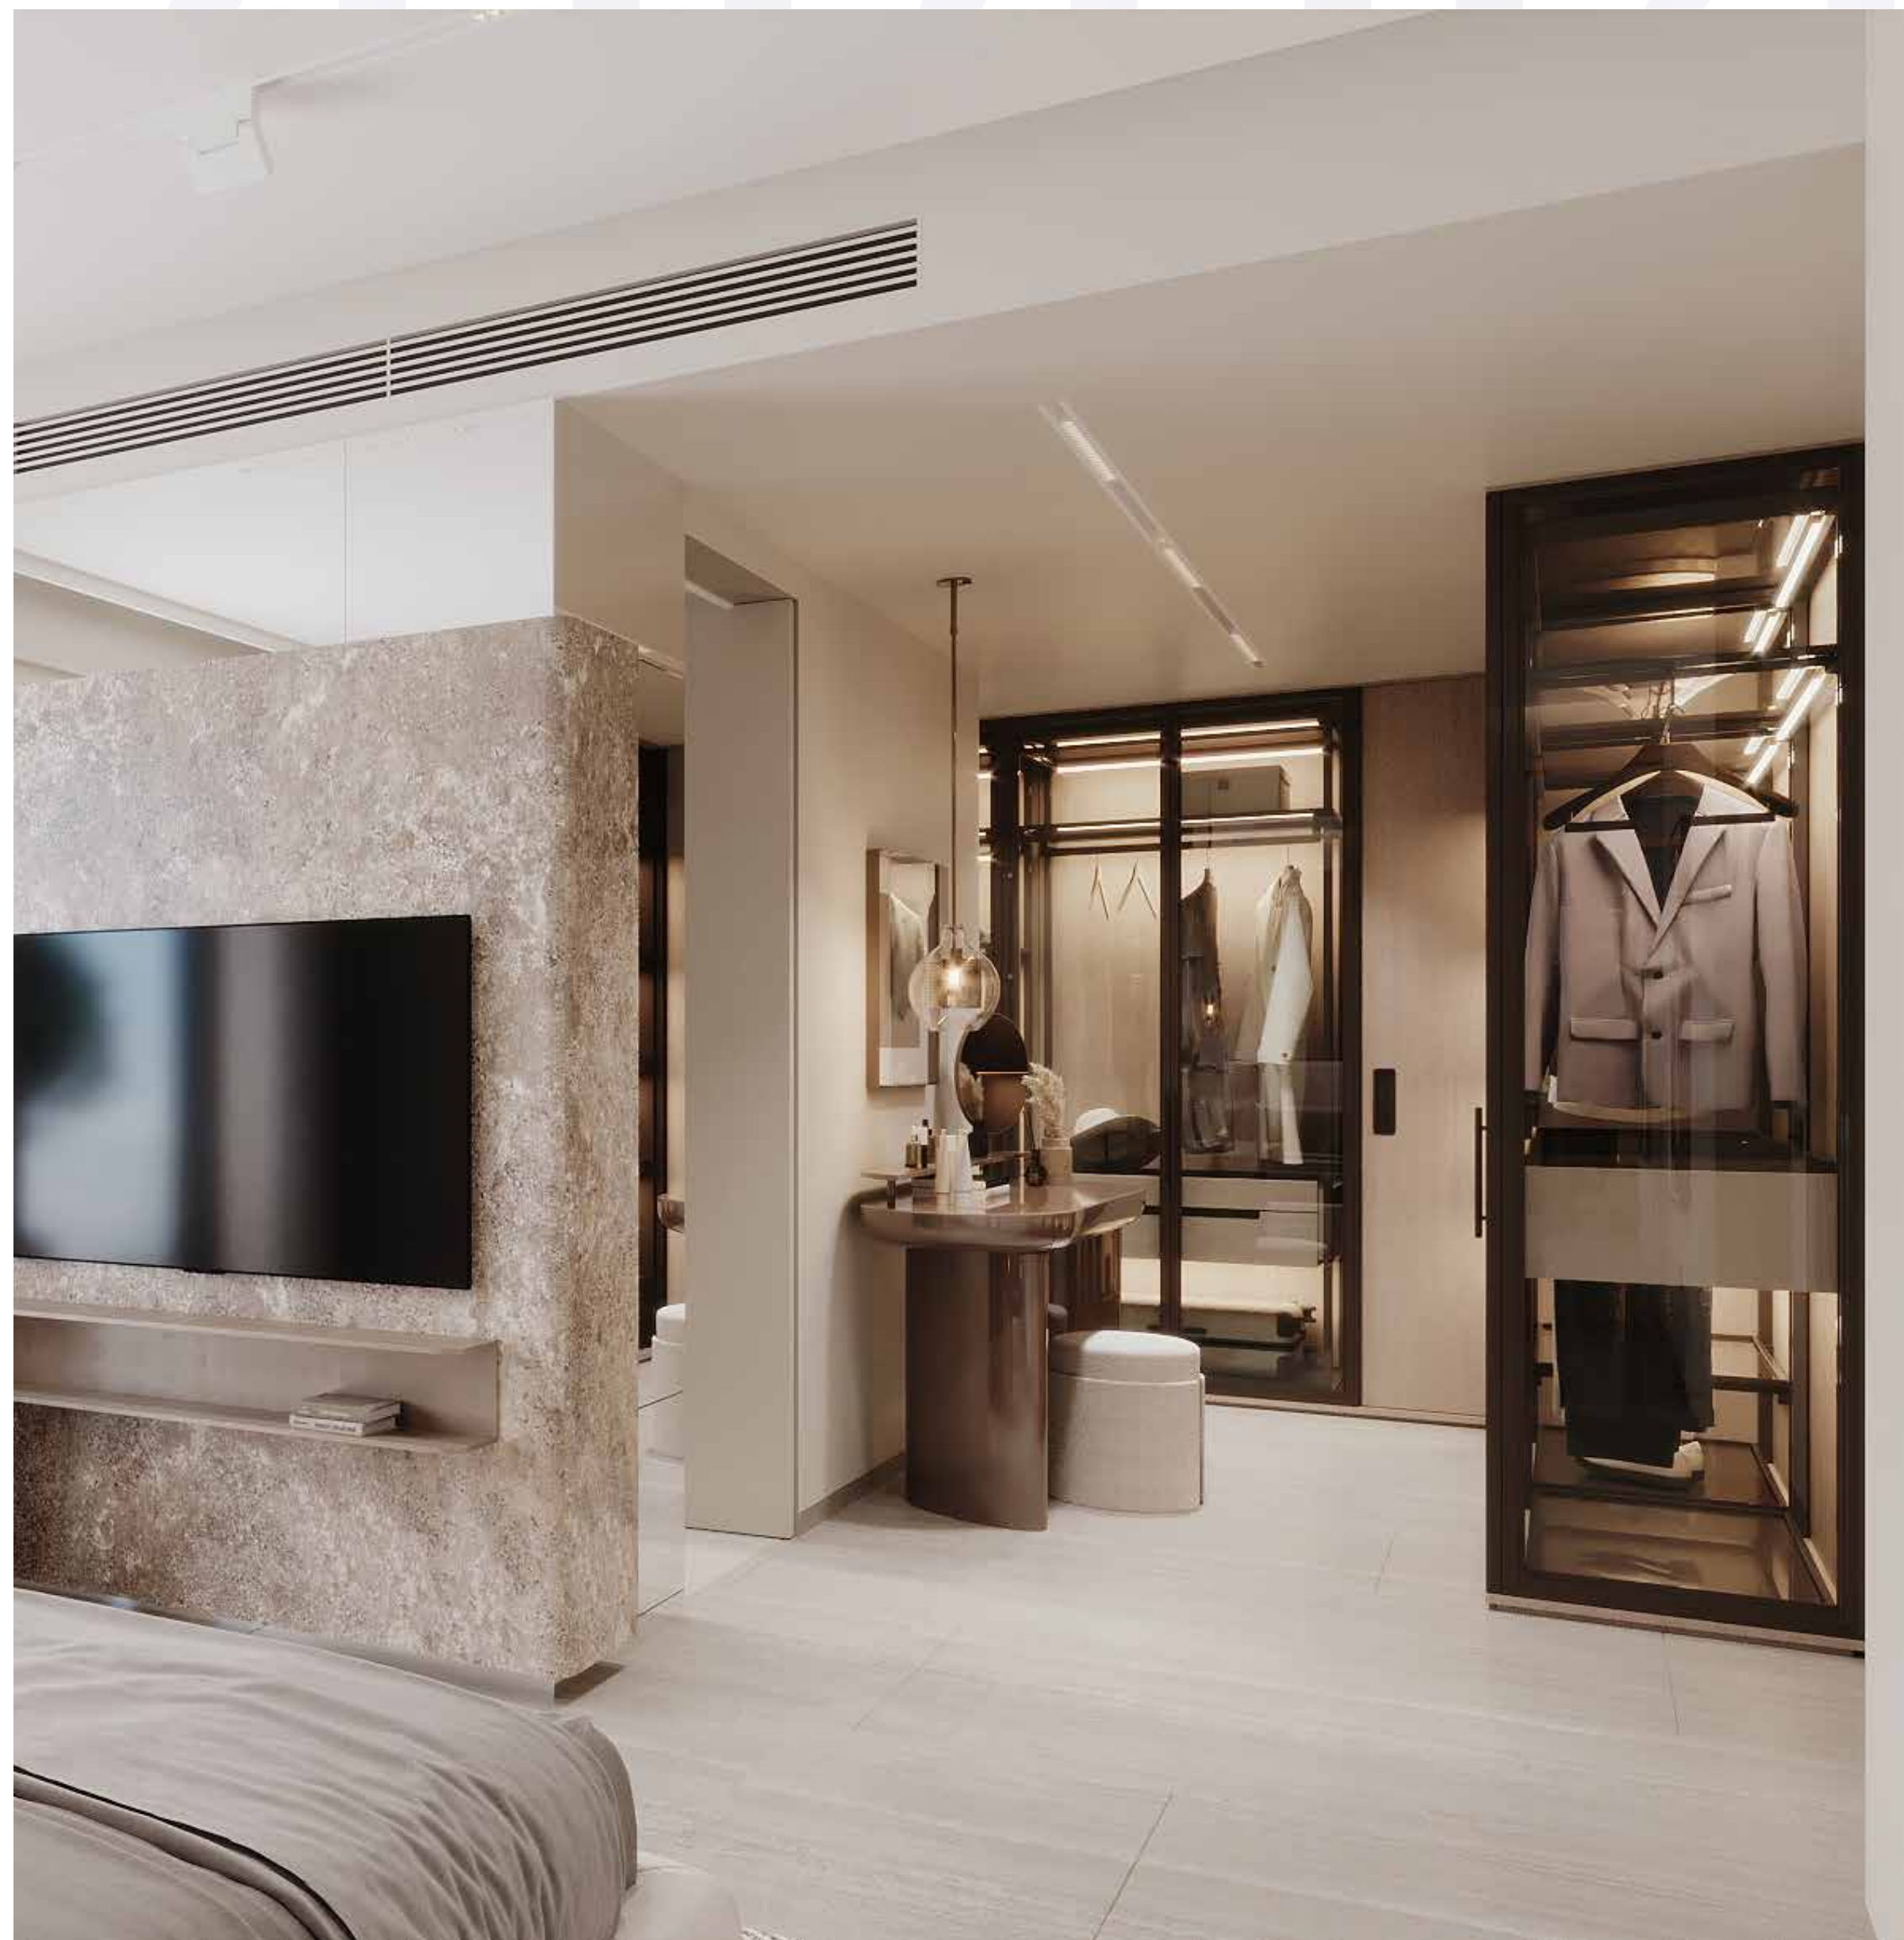

COMFORT IN EVERY SEASON,
PEACE IN EVERY MOMENT.

LIVING ALL YEAR ROUND

Underfloor heating and climate control systems provide comfortable living throughout all four seasons. Spacious and peaceful spaces are thoughtfully designed to let you enjoy every season to the fullest.

SUSTAINABLE AND ENVIRONMENTALLY FRIENDLY LIVING...

Hebil Blue aims to offer an eco friendly and sustainable lifestyle.

In the project:

- Premium materials are used to ensure a durable and high quality construction.
- Air source heat pumps, VRF air conditioning systems, and smart building automation are implemented for energy efficiency.
- Natural materials create an environmentally conscious living space.
- A sea water desalination system is used to meet water needs, ensuring sustainable resource management.

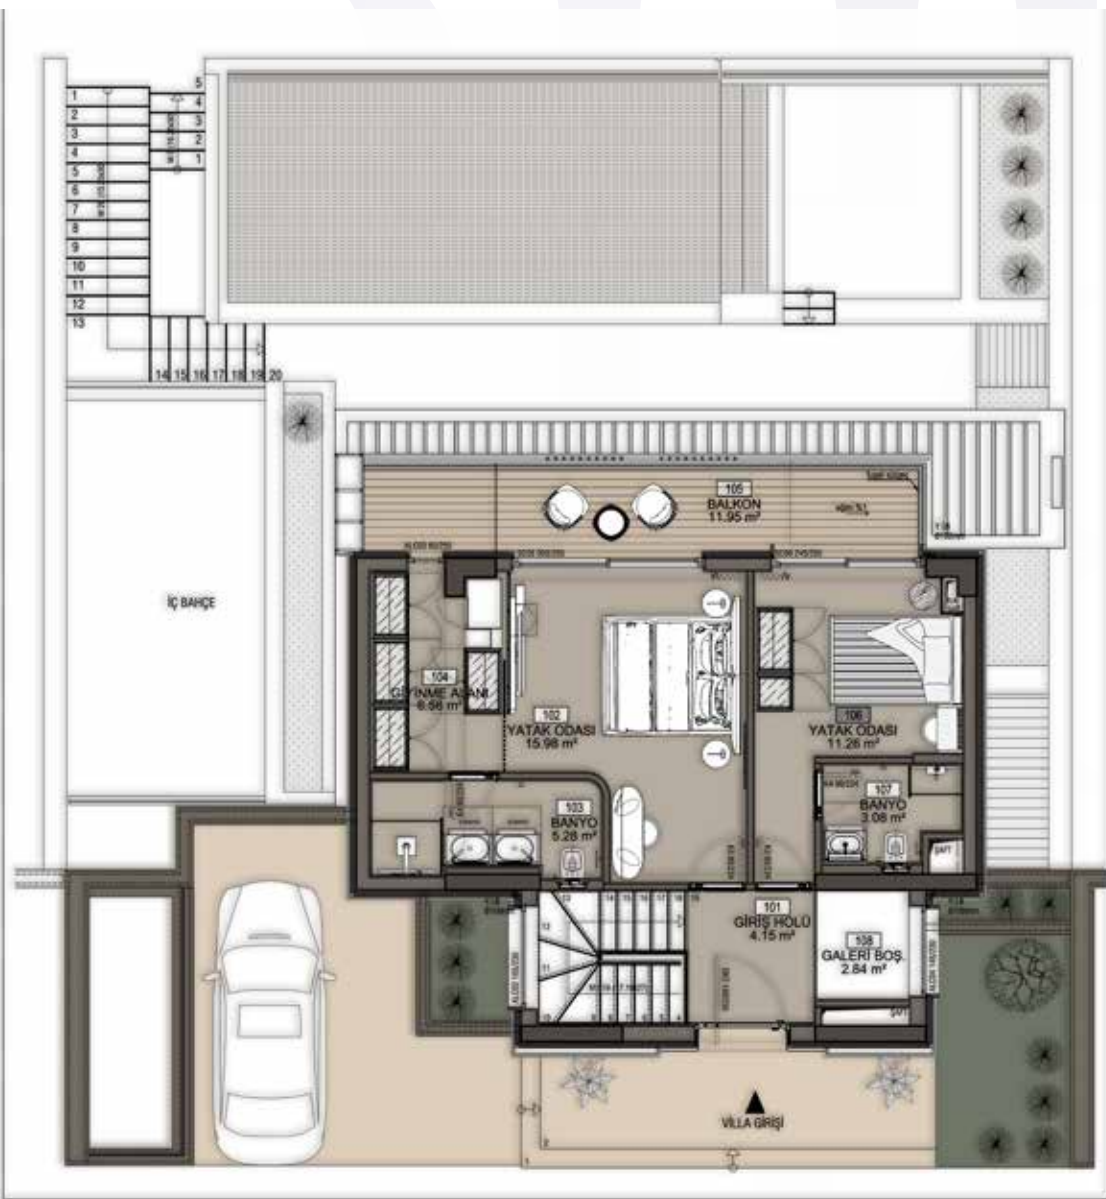

SILENCE, ELEGANCE, AND A WORLD-CLASS LIVING EXPERIENCE...

Hebil Blue's unique nature and architecture will soon be crowned with the signature of a prestigious brand recognized worldwide. Known for its impeccable service, sophisticated design, and timeless luxury, this brand will offer a distinguished destination designed for privileged guests in Bodrum's most exclusive bay.

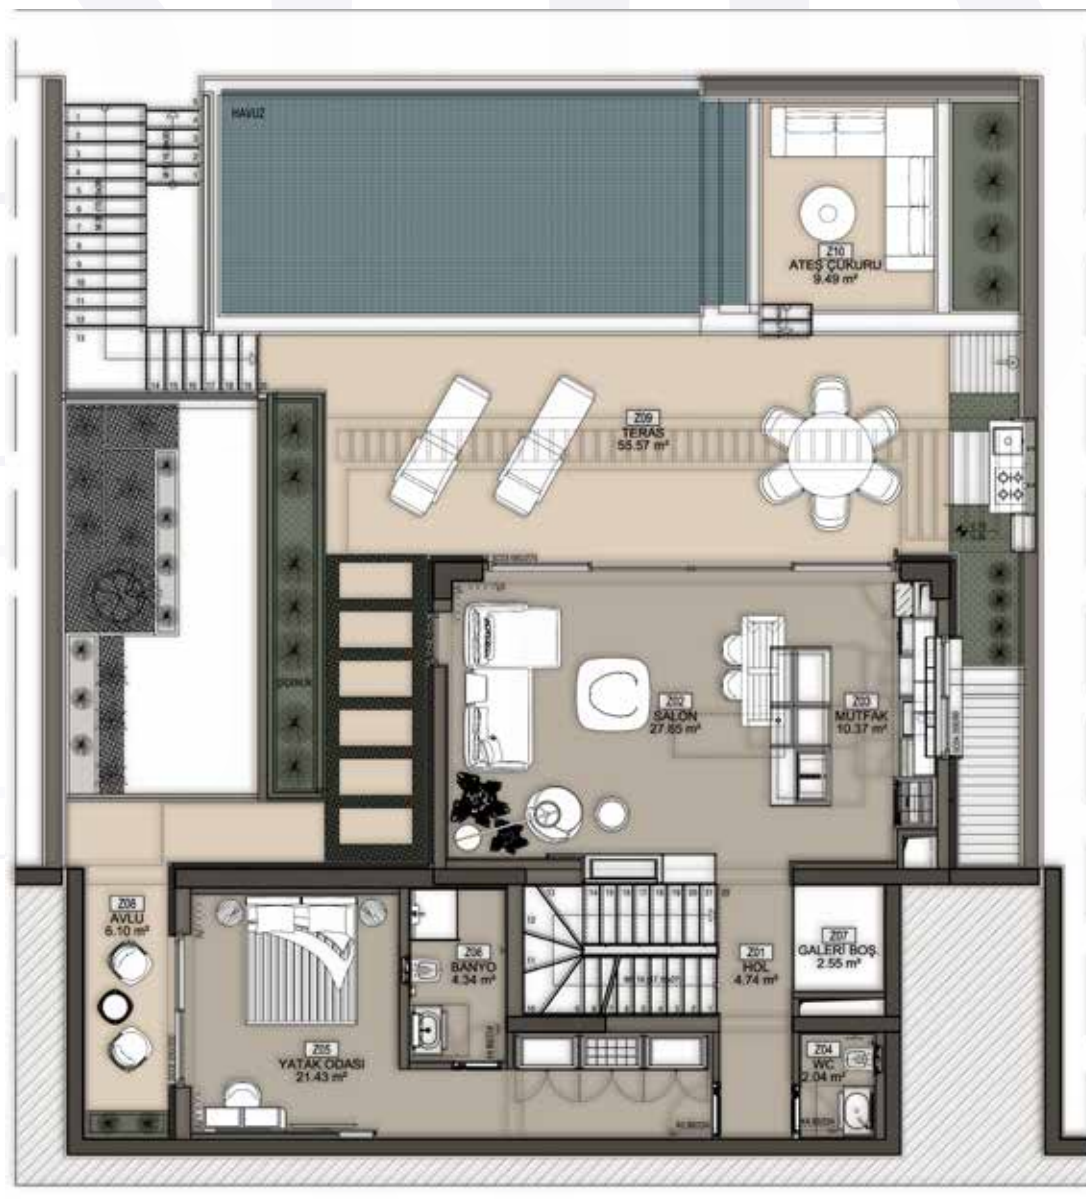

The countdown to this exceptional living experience has begun.
